The mainstay of competitive bowls at Eastgate is participation in the four league teams (three evenings, one afternoon), the drawn competitions and Club Championships throughout the summer.

However some may wish to extend their skills and compete in differing formats in the wider bowls community. There are opportunities to enter other local competitions and invitations are regularly posted on the noticeboard in the club.

Other match-play knockout competitions have a deceptively long timeframe with entry required at the end of one season for the following year!

### City League

League Singles	4 bowl (5x7 shot sets)
Singles	2 bowl Singles (21 up)
